Dear Tony,

Just a short note to once again thank you very much for all support during the past week concerning our car. This made for an enjoyable and stress free Tenth Wedding Anniversary at Hepburn Springs.

Both Bernadette and I are extremely happy with the courteous and reliable service we have received since chancing upon your flyer several years ago.

We will continue to recommend you to many more of our friends and hope to continue dealing with you for many years to come.

Yours Faithfully

P. [Signature]
