

Dear Tony,

Just a quick note to advise you that im  
moving to Brisbane, and to thank you  
for all the fabulous car services you have  
done for me over the years. You are an  
excellent mechanic (and reliable and honest)  
and im so glad your business is booming -  
you deserve it.

Best of luck,

Christine

P.S. Don't suppose you can  
recommend anyone as  
good as you up in  
Bris ???
